

Suggested Will wording

Heart and Diabetes Research

A gift to research at the Baker Heart and Diabetes Institute will help our world-class researchers discover new cures and treatments to overcome heart disease and diabetes.

"I bequeath [____ percent of my residual Estate / the sum of \$ _____ (choose one alternative)] to the Baker Heart and Diabetes Institute, 75 Commercial Rd, Melbourne VIC 3004, to be used for the purposes of research at, or connected with, the Baker Heart and Diabetes Institute and I declare that the receipt of the secretary, trustee or other officer of the Baker Heart and Diabetes Institute is sufficient release for the executors of the Estate without seeing to the final distribution of the funds."

Heart and Diabetes Research Endowment Fund

The Heart and Diabetes Research Endowment Fund investment generates a perpetual stream of income to help support research projects, specialised research technologies, recruitment of leading researchers, and organisational priority needs. This election is only available for gifts of \$1m or more.

"I bequeath [____ percent of my residual Estate / the sum of \$ _____ (choose one alternative)] as an endowment to the Baker Heart and Diabetes Institute, 75 Commercial Rd, Melbourne VIC 3004, to be held upon trust and I direct the Baker Heart and Diabetes Institute, to make income distributions for the purposes of ongoing research activities at, or connected with, the Baker Heart and Diabetes Institute and I declare that the receipt of the secretary, trustee or other officer of the Baker Heart and Diabetes Institute is sufficient release for the executors of the Estate without seeing to the final distribution of the funds."

Priority needs

This type of bequest means your gift may be used for high priority needs of the Baker Heart and Diabetes Institute, which may include research projects, key recruitment, capital items, or equipment purchases.

"I bequeath [____ percent of my residual Estate / the sum of \$ _____ (choose one alternative)] to the Baker Heart and Diabetes Institute, 75 Commercial Rd, Melbourne VIC 3004, to be used for any high priority needs of, or connected with, the Baker Heart and Diabetes Institute and I
